

*Ethan Book for State Representative  
128<sup>th</sup> District*

September 7, 2016

Christopher Rosario  
195 French Street  
Bridgeport, CT 06606

Dear Chris:

As me being a major-party endorsed candidate challenging your campaign for re-election, I have for you several questions and requests for information which are suited for public and campaign purposes. I would greatly appreciate your prompt, complete and honest cooperation to the following:

1. Please provide a description of your education with detail as to degrees and formal grades completed.
2. Please describe work that you may have done as a youth with detail as to dates and types of work.
3. Please describe other work which you may have performed up to becoming a public employee/official with detail as to dates and types of work.
4. Please list those government positions which you have held with detail as to primary responsibilities and dates.
5. Please describe your religious affiliation and cite any church to which you regularly attend.
6. Please detail primary accomplishments of your life.
7. What are your primary life goals?

Considering the nature and the stage of this election process in which we are, I respectfully ask that you fully respond to this inquiry in writing within one week of this date.

With kind regards,

Ethan Book
